HOW JESSICA RUNS IT

Cadence: 3–4 posts/week — 1 food, 1 drink/patio, 1 catering, 1 community/event.

Reels > photos: a 5-sec cheese-pull, drizzle, or frozen-pour films itself.

Beer deals: ask your distributor rep for co-op \$ + a tap-takeover for Fair week.

Always: tag the event + location, end with the phone, reply to every comment.

Boost: \$10–20 on the catering posts, targeted Fort Dodge + 20mi.

Swap in real photos over the graphics whenever you've got them.
